## **HOLE SPONSER GUIDELINES:**

### **Note about COVID-19 Precautions:**

1. There can be no more than two people at the hole, preferably only one. You are welcome to change people during the day. There will be one table.
2. If you are planning a game or activity it must be quick and hands free (unless golfers can use their own equipment). It must allow for social distancing if desired. Be creative. The committee came up with a half dozen ideas in about 2 minutes.
3. You must supply a container of hand sanitizer at your table.
4. If you are planning on giving out "swag" it must be set on your table so that individuals can grab one without touching others.
5. I will need the name(s) and contact number of the person/people that will be at your hole.
6. Per the Governor's order, everyone must wear a facemask to enter the clubhouse, but can be removed when drinking and eating.
7. Social distancing at the event is up to each individual's choice.
